

Entrance Mats

Stop dirt and moisture in its tracks

Instantly trap up to 80% of dirt and moisture as it is walked into your premises. These office mats present a professional image, protect your floors and reduce your cleaning requirements all within the first few metres of your reception.

By outsourcing your floorcare service you benefit from:

Highly-Cost Effective Method

80% of dirt is carried into buildings on the soles of shoes. Mats trap dirt and moisture, reducing cleaning costs and the risk of your visitors from slipping.

Aesthetic Floorcare Solution

With the choice of standard, semi circle and semi oval mats in various sizes we can offer you an attractive, eye catching alternative to floorcare.

Reliable, Hassle-Free Service

Your mats are maintained to the highest standards, with a 'lift and lay' service by Citron Hygiene Technicians.

Product Overview

Standard & Standard Plus Mats Ranges

- ✓ Cleans dust/filth from footwear and ensures that the interiors are kept clean
- ✓ Manufactured from solution-dyed nylon (Standard)/solution-dyed nylon 6 yarn (Plus) - efficient in retaining dirt and moisture to protect floors and reduce cleaning
- ✓ Smooth/flat nitrile rubber backing - excellent stability and slip resistance on smooth floors e.g wood, tiles etc. Resilient, hard wearing, washable rubber

Semi Circular & Semi Oval Mat Ranges

- ✓ Aesthetic floorcare solution that effectively absorbs spillages
- ✓ Provides improved business image
- ✓ Manufactured from solution-dyed polyamide, efficient in retaining dirt and moisture to protect floors and reduce cleaning
- ✓ Flat Nitrile rubber backing for excellent stability and slip resistance on smooth floors e.g. wood, tiles etc. Resilient, hard wearing, washable rubber
