

Citron Hygiene Sharps Unit Orange Lid

Our orange lid sharps disposal units are specifically designed for the safe storage and disposal of sharps containing or contaminated with blood or body fluids or non-medical waste only.

Our orange lidded sharps units are suitable for:

England and Wales:

Sharps not contaminated with medicinal products.

Scotland and Northern Ireland:

either fully discharged or those not used for administering medicine.

- Orange lid to identify for sharps containing or contaminated with body fluids or non-medical waste (e.g. saline solution, distilled water) only
- Self locking sliding lid on final closure
- All containers comply with current legislation and 'Safe Management of Healthcare Waste' Guidance
- Wall mountable, security bracket available for all sizes
- A Hazardous Waste Form is required

Available Sizes (L)
