

Citron Hygiene Airguard

Airguard is a light weight anti-bacterial backboard which protects walls and assists in infection control.

Airguard's anti-bacterial additive prevents bacteria surviving, effectively starving them to death. Our formulation is proven to kill 99.9% of almost all species of bacteria including CDIFF, MRSA, E.Coli, Listeria and Klebsiella.

Airguard is compatible with all Veltia hand dryers and continues to work for up to 10 years.
