

## Citron Hygiene Sanitiser Dispenser Stand

The Citron Refresh range of dispensers provides an ultra-hygienic solution for hand sanitising. They are designed to look great wherever you need them to be installed. They can be carefully fixed to your walls by our trained technicians or can be positioned on one of our purpose made sanitiser stands.

- Non-touch electronic dispenser for hands-free operation
- Patented one-way valve prevents sanitiser from returning to the cartridge
- Quick-shot dose delivery system
- Compact, modern and attractive design – limited floor space
- Stable and solid unit
- Easy to assemble stand
