

## The University of Sheffield [1]

### Washroom Care

As one of the top 100 Universities in the world the University of Sheffield is immensely proud to be voted number one in the 2014-2015 Times Higher Student Experience Survey.

Citron Hygiene is equally proud to provide the washroom services to the University. Serving over 24,000 students and over 5,000 staff, there is high demand on the washroom facilities. At Citron Hygiene we understand that washroom services need to be reliable and robust to cater for the high usage.

Sue Bailey, Facilities Manager rates the service provision, customer service and product range from Citron Hygiene as outstanding. And would be quick to recommend Citron to other companies and Universities.
