

The UV bulb in this unit is **99.9% effective** against **bacteria and viruses**

CitronClear

Odour Neutraliser

The CitronClear offers an environmentally friendly way to remove malodours from your washroom, by reducing VOCs and eliminating airborne and surface pathogens, and creating a more pleasant experience for washroom users.

Why Implement an Air Care System?

Smell Matters

Research shows that washroom users will evaluate the cleanliness of your washroom with smell, before sight.

Create a Positive Experience

Washrooms are small, but make a big impression. Ensure your visitors have a good user experience and positive association with your business.

Reliable, Hassle-Free Service

Our Hygiene Technicians ensure that your washroom users are cared for, with on-time, reliable refill services.
