

FabLittleBag

Hygienic, eco-friendly, sustainably sourced disposal bags for tampons and pads

The FabLittleBag allows individuals to hygienically transfer used tampons and pads to a sanitary disposal bin without fear of contamination, mess, and with confidence.

By outsourcing your sanitary hygiene disposal you benefit from:

Cost Savings

Fewer plumbing issues from sanitary products being flushed down the toilet.

A Healthy Environment

Touch-free disposal keeps employees and visitors safe from blood borne pathogens.

Hygienic and Sustainable

These disposal bags are sustainably sourced, zero carbon, and encourage proper disposal of period products.

Product Overview

FabLittleBag

When FabLittleBag is used in conjunction with a sanitary disposal bin, you are helping to protect the personal hygiene of individuals, the sanitary bin from unsightly contamination, as well as protecting the environment by stopping sanitary waste being flushed and ending up in our oceans.

Key Features and Benefits

- ✔ Sustainably sourced
- ✔ Prevents blockages – promotes binning, not flushing, saving you money on blocked pipes and blockages as well as reputational damage
- ✔ Protect Individuals Personal Hygiene – The FabLittleBag opens one handed and seals closed, protecting hands from used items on the way in, and sealing away the items inside
- ✔ Environmentally conscious – manufactured from plant-derived ingredients
- ✔ Prevents odours - it seals closed locking in all the odour, reducing mess and embarrassment, ensuring a much better experience for customers, not to mention fewer call-outs and complaints.

FabLittleBag Dispenser

The FabLittleBag Dispenser has adhesive backing for simple installation to avoid any damage to the walls or can be screwed on to the wall if needed.

A single bag is dispensed each time to help transfer waste hygienically into the bin.

Key Features and Benefits

- ✔ Capacity - 40 bags
- ✔ Construction - made from ABS plastic with antimicrobial coating making it hygienic, easy to clean, tough and scratch resistant
- ✔ Available as a serviced item or on outright purchase
