

Hand Cleaner

Kill bacteria & freshen hands

The Citron Hygiene Hand Cleaner dispenser provides the ideal solution to kill bacteria and freshen hands when soap and water is not available. The dispenser is highly convenient and puts the finishing touches to your hand washing regime, leaving hands fresh and hygienically clean after use.

By outsourcing hand hygiene services, you benefit from:

A Healthy, Safe Environment

Protect your employees and guests from the spread of infection by ensuring hand cleaner dispensers are always full and functioning.

Reduced Absenteeism

Good hand hygiene leads to reduced illness, and reduced levels of absenteeism.

Reliable, Hassle-Free Service

Our Hygiene Technicians ensure that your washroom users are cared for, with on-time, reliable refill services.

Product Overview

Key Features and Benefits

- ✓ Kills 99% of harmful bacteria such as MRSA, Influenza, E-Coli and Salmonella, to help minimise the spread of disease
- ✓ Fast drying spray formulation (contains alcohol). A no-alcohol version is also available
