

Hand Sanitiser

Luxurious Skin Care Products

The Citron Hygiene Refresh range of dispensers provides an ultra-hygienic solution for hand sanitising. Based on infra-red proximity technology combined with a fast dose delivery, this automatic dispenser delivers one of the most user-friendly no touch liquid or gel dispensing experiences available.

By outsourcing hand hygiene services, you benefit from:

A Healthy, Safe Environment

Protect your employees and guests from the spread of infection by placing hand sanitiser throughout your organisation.

Reduced Absenteeism

Good hand hygiene leads to reduced illness, and reduced levels of absenteeism.

Reliable, Hassle-Free Service

Our Hygiene Technicians ensure that your washroom users are cared for, with on-time, reliable refill services.
