

Nappy Disposal Unit

Hygienic disposal of used nappies and absorbent hygiene products

Our offensive waste units can be used for the disposal of nappies and incontinence waste. The waste is collected and disposed of in line with latest legislation with our liner replacement service.

Why offer nappy disposal in your washroom?

Address Unpleasant Malodours

Proper disposal systems for nappies are critical to addressing odours, avoiding offensive waste in regular waste bins, and potential plumbing issues from flushing.

Reduce Cross-Infection Risks

Disposal systems for nappy waste helps reduce cross-infection risks, promotes hygiene and ensures waste is handled appropriately.

Reliable, Hassle-Free Service

Our Citron Hygiene Technicians do the dirty work so you don't have to.

Product Overview

Modern Stylish Look

- ✓ Contemporary, easy to wipe down design
- ✓ Designed to offer reliable, robust performance
- ✓ Sloped lid prevents heavy items such as bags being placed on top, reducing the risk of breakage
- ✓ Pedal operated for hygienic, no touch disposal of waste
- ✓ Discreet, low friction modesty flap hides bin contents from view
- ✓ Manufactured from ABS plastic for superior performance
- ✓ Bag tidy hooks stop liners from slipping during use so waste is held correctly before service

Waste Disposal Trolley

- ✓ Your choice of cart size will depend on the volume of offensive waste bags to be disposed of and the outside space available to you
- ✓ Our disposal service frequency can be tailored to your exact requirements ensuring that your offensive waste is being handled correctly and effectively
- ✓ Ensure the safe and secure storage of offensive waste bags prior to collection by our waste disposal hygiene technicians
