

## Surface Sanitiser

### *Providing hygienic washroom facilities*

The Citron Hygiene surface sanitiser dispenser provides the ideal solution to kill bacteria without the need for water. Dispensers can be placed around high-risk areas in most businesses.

## Why offer a surface sanitiser in your washroom?

### **Improved Hygiene**

Washroom surfaces are often unhygienic and covered in bacteria. Provide a sanitiser to encourage safe, hygienic use of infant changing tables, toilet seats, washroom surfaces and more.

### **Reduce Absenteeism**

Better washroom hygiene leads to less illness, and reduced levels of sick leave and absenteeism.

### **Reliable, Hassle-Free Service**

Our Citron Hygiene Technicians ensure that your washroom users are cared for, with on-time, reliable refill services.

## Surface Sanitiser

### Product Overview

#### Key Features and Benefits

- ✓ Kills 99% of harmful bacteria such as MRSA, Influenza, E-Coli and Salmonella, to help minimise the spread of disease
- ✓ Fast-drying spray formulation (alcohol-based and alcohol-free both available)
- ✓ Compact and discreet
- ✓ Ideal for high risk areas e.g. toilet seat and fixtures and infant changing tables

#### Hygienic dispenser

- ✓ Hygienic dispenser - dispensing push lever incorporates Biomaster antimicrobial technology that kills microbes on contact to break the transmission path of diseases
- ✓ Hygienic 400 ml refill - liquid is sealed in a hermetic pouch and easy to load
